Guarantees.

In addition to the legal guarantees available to you, please see our “Guarantee” page [here](#).

Exercising your right to change your mind.

If you are a consumer, you have a legal right to change your mind within 14 days and receive a refund of all payments received from you, including the costs of delivery (with the exception of the supplementary costs resulting from your choice of delivery other than the standard delivery offered by us). To exercise the right of withdrawal, you must inform us of your decision to withdraw from this contract by an unequivocal oral (made by phone) or written statement sent by post, fax or e-mail within 14 days after the day you (or someone you nominate, other than the carrier) acquires physical possession of the goods. If your goods are split into several deliveries over different days, you have until 14 days after the day you (or someone you nominate) receives the last delivery to inform us of your decision to withdraw. To qualify for the refund you must send the goods to us within 14 days of notifying us of your decision to withdraw.

Returns Policy.

You will have to bear the direct cost of returning the goods. We will reimburse you not later than 14 days from the date we receive the returned goods, using the same means of payment as for the initial transaction. We may withhold reimbursement until we have received the goods or you have supplied evidence of returning the goods, whichever is the earliest. You are only liable for any diminished value of the goods resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the goods (testing of the relevant goods only as is possible and customary in a shop).
